

Cookie Policy GoToThisGuy.com (© HousingAgent.com B.V.)

We use cookies and similar technologies to provide you with the best possible service and optimize our online business. These technologies offer us the opportunity to store information, and access information stored, on your device (such as PC, tablet or smartphone).

The information that can be transmitted by a cookie, over the use of our website, can be transferred to our own secured servers or to the servers of a third party. Cookies and similar technologies, such as pixels, beacons, local storage and JavaScript (hereinafter: “cookies”) can be placed directly by us, but also via third parties for the following purposes:

Category 1 to enable us remembering your preferences and the proper functioning of our website and to be able to deliver services explicitly requested by you (***strictly necessary and functional cookies***);

Category 2 to generate overall statistics and gain insight into the use of our website by the public in order to optimize our website and services (***analytics cookies***);

Category 3 to make our offer more interesting for you by displaying advertisements on our and other websites and other channels used, that fit your interests based on your click and surf behavior (***advertising and personalization cookies***);

Category 4 to offer you the possibility to share information on our website via the different social media channels and us to embed third party videos on our website (***social media cookies***).

When will we ask for your consent?

Some cookies we use, are strictly necessary for the proper functioning of our website or to deliver a service explicitly requested by you (category 1). Since the use of this type of cookies is essential to be able to deliver requested services or in general for the proper functioning of our website, we may use these cookies without your prior consent.

Some of the cookies we use are used to gain insight in your interaction with our services such as the website and the emails we may send out. In general, we will always ask for your consent prior to using such analytics cookies (category 2). However, in case we are able to set these cookies in a privacy friendly manner (for instance, by preventing processing your full IP-address), we may rely on our legitimate interest for the processing of the remaining personal information where as a result we will not be obligated to request your consent.

For the use of the cookies for advertising and personalization purposes (category 3) and the integration of social media plugins (category 4), we will ask your consent prior to using these. In case certain analytics cookies (category 2) cannot be used in a privacy friendly manner, we will also request your consent prior to using those.

First and third-party cookies

There is a distinction between first- and third-party cookies. First party cookies are set by the website you are currently visiting. Third-party cookies are not set by us, but by third parties and

from their domain. For example, when you use social media content sharing buttons, the platform you share the content on (i.e. Facebook) may set a cookie from their domain and use the information collected through it, for their own purposes. This means that we do not have any control over these third-party cookies. If you do not wish to have third party cookies on your device, you can block and remove these through your browser settings. For this, please see your browser manual. Keep in mind that turning off third party cookies, may impact some functionalities on our website.

What cookies do we use on our website?

For the above-mentioned purposes, we, and third parties use the cookies as mentioned in the tables below. Please note that the information in this document changes over time, depending on our actual use of cookies.

How to control your cookies

You can prevent the placement of cookies by adjusting the settings on your browser (see your browser Help for how to do this). Be aware that disabling cookies will affect the functionality of this and many other websites that you visit. Disabling cookies will usually result in also disabling some functionality and certain features of this website. Therefore, it is recommended not to disable (at least first-party) cookies.

Removal of cookies

Most cookies have an expiration date. This means, that they will automatically expire after a certain period and no longer register any data concerning your visit of the website. Another option is to remove the cookies manually before the expiration data. In order to do this, please consult the instruction manual of your browser.

Your rights

Since through the use of cookies (in most cases) personal information is being processed, such as your (pseudonymized) IP-address or another unique identifier, your online click behavior, we have to address you on the several rights you have regarding your privacy. This includes for example the right you have to withdraw your prior given consent for the use of cookies. For more information about all your rights, we would like to refer you to our [Privacy Policy](#).

Contact and company details

If you have any complaints about the way we process your personal information, we are glad to help you out. If you have any questions about privacy, you can contact us through the contact details mentioned in our [Privacy Policy](#).
